**NAAC AQAR DATA FOR 2020-2021**

**4.2.4 (QnM): Number per day usage of library by teachers and students (foot falls und login data for online access)**

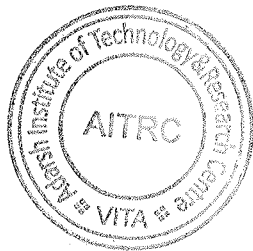

**Response:** As both the Govt. of Maharashtra as well as Central Government of India declared lockdown of all educational Institutions due to COVID-19 pandemic from 22.03.2020 to onwards, Adarsh Institute of Technology & Research Centre, Vita College campus remained closed for physical teaching-learning purposes during the entire academic year of 2020-2021. Accordingly, the college library was also kept closed except for some very urgent maintenance services performed by a skeleton staff on rotation basis. Hence the usage of library is limited for this period.
